

## VIRTUAL WORKSHOPS: ARCHIVED EDITIONS!

Our series of fourteen virtual workshops on Christian Initiation have now concluded. But don't fret if you missed one! All of them have been archived and are now available for sale through the Liturgy Training Publication website – [www.LTP.org](http://www.LTP.org) There are two ways to purchase and view the archived editions – as a one-time view (\$15) or with the privilege of unlimited views (\$25). Consider the latter for your seminary, diocesan office or parish team.

They all were terrific, but I would especially recommend Fr. Joncas' workshop on "Preaching for the Rites" for priests and deacons. His reflections on the readings and rites were masterful!

Many thanks to everyone who made these virtual workshops possible -- to all who prepared them, to all our presenters, to Michael Ruzicki and LTP for hosting them, and to all our participants! May they be of service to all who walk with our inquirers, catechumens, and candidates.
